

Pet Policy

A Cut Above Property Management, Inc. stands a cut above the rest to provide a home best suitable for our tenants as well as their beloved companions. We understand that pets play a significant part in many people’s lives, so we strive to allow most breeds in our rental properties. Please make sure to ask if the property that has caught your eye accepts pets as some restrictions may apply. Pet screening profiles are required for every applicant applying for one of our properties. Pet screening provides a risk level assessment for each pet profile which is based on the overall risk of the pet. Pet fees are based upon the *Paw Score Risk Levels*. Pet screenings & policy affirmations can be completed by going to <https://csrentals.petscreening.com> to obtain your paw score(s).

Regardless of prior consent, A Cut Above Property Management, Inc. reserves the right to have any pet removed from the property if it is determined that the pet poses a threat to the safety or condition of the property or any of the people in the property or the community.
